Cannot believe what the justice dept. is trying to do to a[[large exporting business]] this country needs more exports Microsoft brings billions to this country Also I would start a new business if I could have Orin Hatch, Novell, Sun micro Systems, Time Warner AOL, many other competitors & the justice dept.To stifle my competition I couldn't help but make money This is real injustice done by GREEDY FAME SEEKING ATTORNEYS & JANET RENO TRYING TO FURTHER THEIR POLITICAL GOALS What Microsoft & BILL & MELINDA GATES FOUNDATION HAVE DONE FOR SCHOOLS ABUSED WOMEN & THOUSANDS OF OTHER GOOD CAUSES, PLAY GROUND EQUIPMENT FOR SCHOOLS THE ATTORNEY GENERALS OF STATES THAT WONT SETTLE ARE HURTING SCHOOLS IN THEIR STATES BY NOT ACCEPTING SOFTWARE, COMPUTERS & ECT. FOR THEIR SCHOOLS THEY WANT CASH TO USE ON THEIR PET PROJECTS [JUST LIKE TOBACCO MONEY] WHICH WAS FOR HEALTH CARE BUT USED FOR OTHER PET PROJECTS Al Jangard oly wa
